

# CERTIFICATE OF AUTHORIZATION (CORPORATE)

This certifies the named company as having had the adequacy of their quality assurance program verified for the scope of the activity shown below in accordance with the applicable rules of the Boiler and Pressure Vessel Code of the American Society of Mechanical Engineers (ASME). The quality assurance program implementation was partially demonstrated. This certificate does not include authorization to use the ASME Certification Mark. The certification granted by this certificate is subject to the provisions of the agreement set forth in the application.
